

Correction for the video “Building Feature Set”

Please note the following correction in the video named “Building Feature Set”:

Time-stamp	Cell no. in video	Correction
12:30	50	<i>Instead of</i> testing_data = [(get_feature_dict(doc), category) for doc, category in training_documents] <i>should be</i> testing_data = [(get_feature_dict(doc), category) for doc, category in testing_documents]
